Dear Friend,

God continues to bless the gathering and distribution of HIS WORD. God lets us network with many ministries globally that work to get

Scripture into hands and hearts. We encourage all to seek God for help to gain a deep understanding of His word and how to please Him more.

It is amazing what God is doing to bring many to faith in Christ and

develop godly productive lives that meet physical and spiritual needs to the glory of God. Throughout North America, thousands are doing simple things to save Scripture from the paper recyclers and get them to ministries that can distribute them.

Rejoice with us that thousands of people are coming to faith in Christ and are getting access to Scripture to learn to walk humbly with God in His righteous way, doing justly and loving mercy.

By sharing information and contacts, we are able to help people start their own Bible ministries, depending on their interests and

availability.

It is a joy to see these photos of people in Africa eagerly seeking to understand God's word and His great love.
