Dear Friend,

Recently we had the privilege of speaking at a conference of churches in Oregon. They gathered Bibles for the event. An astonishing 1,066 Bibles, 275 New Testaments, and 165 other items were collected

for a total of 1,506. Volunteers were busy counting and sorting.

A letter just came in from a prison inmate in the mid-west. The writer said the affliction he and his two friends had, brought them closer to God. They

intend to understand God's plan through His holy word. They requested study Bibles. We thank God, He makes it possible for us to fill requests like this.

The Bible network is vast. With ministries cooperating, Scripture and the love of God works its way into hearts around the world. Bibles freely go to many places including hospitals, nursing homes, rescue missions, homeless shelters, street ministries, remote villages around the world, homes, churches, schools, bus stations, railway stations, prisons & jails, and refugee camps.

Churches and people are encouraged to make Scripture readings available so people can easily carry, read, ponder, and share them. Mailed within USA at no cost as able.

The mind is the closet where we spend time with God. The heart is the garden of God where the seed of His word takes root and produces the fruit of the Spirit. The body is the temple of the Holy Spirit. The life of the flesh is in the blood.
