people that can accept Bibles from the public. Anyone with access to the Internet and has a little time can help.

Our Lord God transforms lives as His word goes forth and soaks into hearts. When that happens, people get to know the Lord and His great love, power, and mercy. They hunger for a life with Him and without sin. As they get to know the Lord, they trust Him and call on Him for help to live godly, holy, righteous lives that please Him. We put some Bible portions together to help with this. They are available on our website and in print, free within the USA, as we are able.

As the people of God communicate and learn what is going on, they see the depth of the evil in the world and see the suffering of many people. The prophet Micah explained that what is good is to do justly, to love mercy, and to walk humbly with thy God.
